

Where to from here?

If you are interested in obtaining more information and/or enrolling:

- Access the Adult Student Handbook by downloading it from the website or obtaining it from the College.
- Phone the College on 3394 8888 to arrange an interview for enrolment.
- Attend an interview and apply for entry to adult classes including an application for a positive notice (if over 18).
- Provisional enrolment is made on the payment of the resource fee plus the first semester fee. The enrolment is confirmed by the receipt of a positive notice.
- Collect a statement of subject fees after the interview which will itemise all costs. It is expected that all payments will be finalised by the end of Semester 1.
- Payment may be made by cash, Eftpos, credit card, Bpay or by Centrepay deductions through the College Business Service Manager.
- Have your ID Card photo taken.

What Matters

Adult students in an adult environment working together to improve their:

- Numeracy
- Literacy
- Academic Skills
- Access to higher learning
- Employment opportunities

Education for Life

External Senior Program

Course Aims

This course is designed to prepare students for the QCAA (Queensland Curriculum Assessment Authority) External Senior Examinations. Success in these examinations provides a pathway to Tertiary Studies and the QCE (Queensland Certificate of Education) award. QTAC (Queensland Tertiary Admissions Centre) provides the mechanism for university entrance in QLD. The yearly 'QTAC guide to Tertiary Courses' specifies information about the process for tertiary entry. TAFE entry requirements can also be found in this guide. The QTAC and QCAA websites should be accessed by prospective students.

The Adult Student Handbook offers further details. This may be acquired from the College or the College website.

Tertiary Entrance

Students who successfully complete the External Senior course will be allocated a selection rank (rather than an OP) based on their aggregate score. This may be improved when combined with a STAT (Special Tertiary Admission Test) result.

Please Note: there are important details and exceptions to the above, the yearly 'QTAC Guide to Tertiary Courses' lists these.

Assessment

The external (QCAA) examinations are held during late October and early November each year. Students nominate to sit for the external examinations. The closing date for nominations is the 30th June. The examination timetable will be made available early in the year and students must sit for the examinations at the times designated by the authority. Assessment occurs throughout the year. This assessment is used as a guide for students, evaluating their study skills, exam techniques and mastery of their course of study.

Internal Senior Program

Course Aims

This program is part of the senior phase of learning. The subjects offered in this course satisfy entry requirements for various career options including apprenticeships and the Armed Forces. These courses are also suitable for individuals wishing to re-engage with study as well as providing a pathway for re-entry to the workforce.

All subjects provide QCE accreditation.

Course Structure

The course is flexible and may be completed on a full-time or part-time basis over one year or longer. Subjects are available to study during the day. Full-time students select five subjects.

Assessment

The subjects are internally assessed by the teachers. Various assessment tasks are used throughout the year: assignments, tests, oral presentations etc.

Certification / Qualification

At the successful completion of the internal program, students will be awarded The Queensland Certificate of Education.

Full QCE accreditation is possible in one year by attending five days per week.

Adult Students at the Coorparoo Secondary College will have:

- Experienced Senior Teachers
- Their own learning environment
- Low cost affordable school charges
- Access to IT devices within a wireless teaching environment
- A well structured curriculum focusing on individual needs
- Access to State of the Art facilities completed in 2010. These include:
 - Science Laboratories
 - Multi Media Centre
 - Resource Centre
 - Creative Arts Centre
 - Commercial Grade Kitchens & Hospitality Centre

Partnerships

Partnerships with centres of higher learning and partnerships within the local community allow for transition from the Coorparoo CCSE to work or higher study.

Belonging

The Adult Education program at Coorparoo Secondary College fosters a sense of belonging, allowing students & staff to work together towards set goals.

Distinct Identity

Adult secondary students are taught by specialist teachers in an adult learning environment.

Pathways to Success

The subjects offered allow for various pathways to work and higher study. Personal goals are achievable through professional guidance. Students are taught by experienced teachers within an affordable school setting.
